

**SUBJECT: Consider declaring unused Fire Trucks as surplus**

---

**COMMISSION ACTION REQUESTED ON: 9-04-2019**

**PURPOSE: The City Commission is being asked to declare unused vehicles as surplus so that they may be sold or disposed of in accordance with state law.**

**HISTORY: In December of 2018, the City put into service the newer Fire pumper trucks, and at that time two older Fire Engines were put out of service. Fire Trucks as follows:**

**E2 1990 Pierce Arrow 4PICA02H0LA000745**

**E4 1993 Pierce Dash 4PICT02D9PA000661**

**FACTS AND ISSUES: These units are taking up storage space and can no longer be used in service. Policy requires the City Commission to declare property surplus prior to the property being auctioned or sold. Upon approval, these units will be sold or auctioned (online), in accordance with procedure under state law.**

**BUDGET INFORMATION: N/A**

---

**OPTIONS:**

- 1. Declare as surplus so the vehicles can be sold and removed from the property.**
- 2. Do not declare the Fire Trucks surplus and have the City continue storing them.**

---

**DEPARTMENT RECOMMENDATION ACTION: Declare vehicles as surplus so they can be sold in accordance with procedure.**
