Elderly/Disabled Homeowner Assistance Program

What is the Elderly/Disabled Homeowner Assistance Program?

To help assist homeowners make minor emergency repairs to their primary residence. The targeted area is the City of Brunswick (Incorporated Limits). Eligible participants must either be 60 years of age or disabled. They must also meet the low –to-moderate income requirements defined by HUD income guidelines.

# in Household Income	Maximum Annual
1	\$31,200
2	\$35,800
3	\$40,250
4	\$44,700
5	\$48,300
6	\$51,900
7	\$55,450

How are repairs made?

We will refer you to our Program Coordinator, Valerie L. Stallworth who will help you qualify for assistance. The home will also be inspected to determine the work needed.

You can qualify for up to \$2,500 for repairs and equipment.

The more complex and expensive repairs may be addressed by applying to the City's Housing Rehabilitation Program, funded with other federal housing funds.

We look forward to your call:
