

**Glynn Avenue Link Trail from Overlook Park to SR 25 Spur East**

**P.I. 0015400**

**City of Brunswick**

**RFQ # 2021 – 01**

**Addendum #1**

**February 12, 2021**

**Are responses to be submitted electronically to [galberson@cityofbrunswick-ga.gov](mailto:galberson@cityofbrunswick-ga.gov)?**

Yes, one (1) electronic copy of the response should be submitted to this email address

**Can City of Brunswick confirm there is to be no cover letter included in RFQ response.**

No cover letter is to be included as part of the response. A cover page is required with the RFQ number, title, and proposing firm's name.

**Would the City consider removing 4.01 (a) as a requirement for the Prime, and keep it as a requirement for the Team?**

The 4.01(a) area class will be removed as a requirement of the prime consultant and will remain as a requirement of the team. Submitting firms are reminded that the cost of design of the elevated portion of the trail (bridge) will be a large portion of the total contract. The Prime consultant must perform at least 51% of the contract work.

**Section VI – Instructions for Phase I Response, Part A. - Administrative Requirements, Item #2. Certification Form (Exhibit II) requires completion of the attached Exhibit II – Certification Form. Can the prime check the box on that form which refers to arbitration, litigation, mediation, etc., and include a one (1) page list of litigations within the last 5 years as an “additional details” page?**

Yes. If the prime cannot initial the box to certify that the firm has not been involved in any arbitration, litigation, mediation, dispute review board, or other dispute resolution,” then place an “X” in the box and attach a one-page listing of any dispute resolutions.
